

WICKED GOOD

Charcoal®

If it's not 100% Natural Charcoal,
we don't carry it!!

Wicked Good "Weekend Warrior Blend" Lump Charcoal is a wonderful all-around charcoal.....a proven choice by our customers for fast, hot grilling or for their long, slow cooking. It's an excellent **non-sparking** charcoal for smoking and chefs love it for the easy lighting and long, even burn! It also imparts a very pleasant flavor, just enough to be noticeable, yet not enough to overpower your food.

We now have larger sizing of the lump in the 22 lb. bag ... which will be the new **standard** for all of our Lump Charcoal. We have also improved the strength of the 22 lb. bags to 4-ply.
